

CERTIFICATE of ACCREDITATION

Valid until the 3rd of July 2016

This is to certify that **Airport Carbon Accreditation**, under the administration of WSP UK, confirms that the carbon management processes at

Athens International Airport "Eleftherios Venizelos" implemented by Athens International Airport

have earned the accreditation level of **OPTIMISATION**, in recognition of their exemplary work in managing, reducing and engaging other stakeholders on the airport site, in minimising CO₂ emissions as part of the European airport industry's response to the challenge of Climate Change.
